

Let's talk **STEAM**

The on-site generated, in house managed and maintained, critical process

ENERGY

1+ hour Presentation

At your plant, talking about your Steam Plant Assets and process integration, plus Q & A time if requested

HOW TO IMPROVE & MAINTAIN YOUR INVESTMENT PERFORMANCE

Summary of testimony, see complete testimony on www.steamlink.com.au

I recommend STEAM LINK to any company who uses steam in its processes, as we achieved substantial energy savings, plus improved plant performance, all adding up to a reduced production cost per unit.

Jamie Pacey, Maintenance Manager

JAMES HARDIE Australia Pty Ltd / Meeandah Plant, Qld 4008
